

THE *Cetak* COLLECTION

TSAR
CARPETS

THE *Cetak*^{*} COLLECTION

The Cetak Collection pays homage to the aesthetic of Indonesian and Thai textiles. Celebrating the spontaneous nature of woodblock printing, where mis-registration and accidents are embraced, the Cetak designs focus on the beauty of serendipity, natural patterns and organic elements. The result is a raw, breezy and playful rug collection, perfect for contemporary and rustic inspired interiors alike.

^{*}Cetak means form, mold or print in Indonesian.
