QUINTESSENTIALLY AUSTRALIAN, INTERNATIONALLY FLAVOURED

RENEWED BOLDNESS | HAND-TUFTED CRAFTSMANSHIP | METICULOUS DETAILS TRANSFORMED

From the outback to the coast, from mountain summits to raw earth, Stralis is a celebration of uniquely Australiana terrains, layers and hues. These beautiful, vast and sometimes harsh terrains have been captured in striking, abstract designs.

Stralis transforms wild beauty into artworks of unmatched depth, texture and colour combinations. The colour palette roams across deep corals, sandy neutrals and pastel shades.

10 designs - ranging shades and fibre combinations - varying pile heights - fully customisable
