

PHENOMENA

PHENOMENA HONORS THE MYSTERIES OF THE UNIVERSE, EXPLORING PHENOMENAL OCCURRENCES THAT ARE INTRIGUING, POWERFUL AND QUESTIONABLE.

These beautiful and often elusive sensory experiences have been deconstructed into visual elements and reinterpreted into soft textiles that embody atmosphere and provoke curiosity.

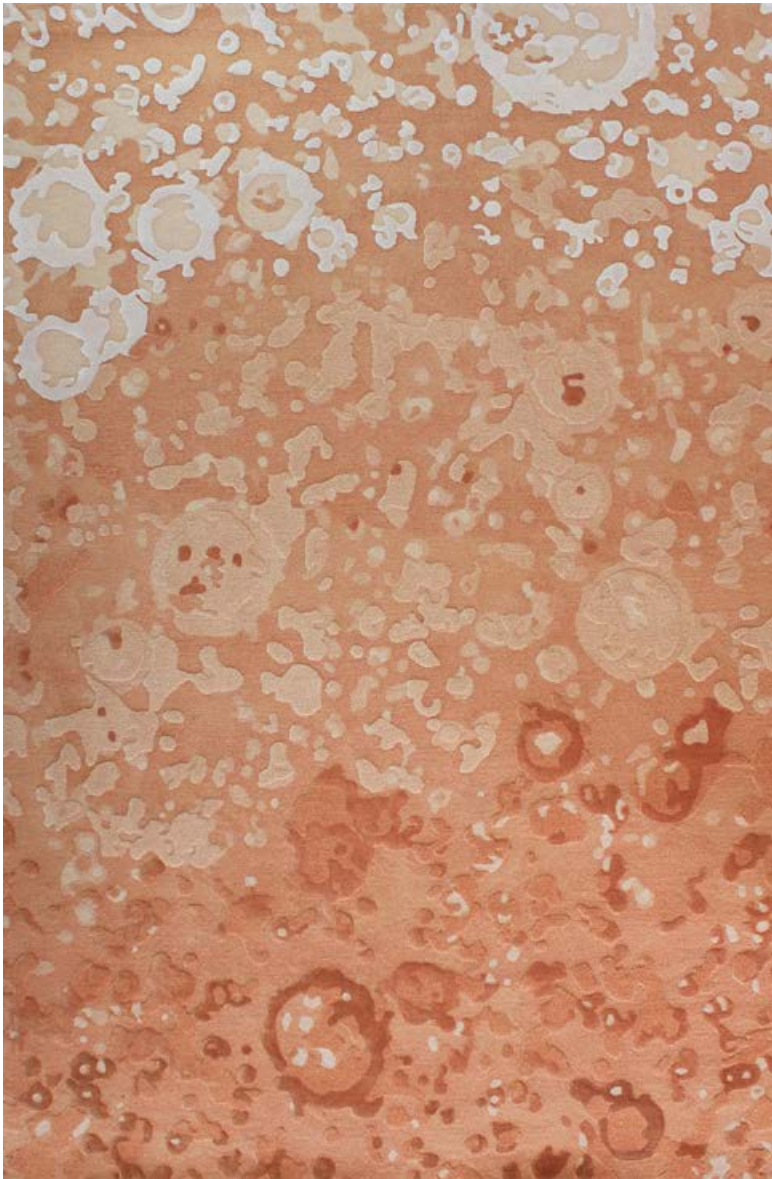

Phenomena captures the evolution, movement and tones of otherworldly forms using expert hand-tufted craftsmanship and design. Each mystifying design encourages the viewer to investigate, to look beyond the surface and consider the origins, elements and techniques used to create these breathtaking designs
